

Re-Inspections of Private Paved Roads for Winter of 2023 - 2024

If your road is deficient, you will have until October 2, 2023, to address and correct.

"X" denotes a deficiency

Once corrected, please call the DPW at 508-349-0315 to schedule a final inspection.

Failure to fix deficiencies or to call for a final inspection, will cause your private paved road not to be sanded or plowed by the Department of Public Works.

Thank you very much for your cooperation!
